2.1 Department of Primary Industry

The Secretary reported that the development of the project was still being delayed because the First Edition of the Co-op Start-Up Manual had not been released by the Mid North Coast RDA and that the RDA was still in discussions with Fair Trading NSW about the First Edition.

He said that CV needed a draft copy of the work completed to date to fulfil its commitment to DPI.

He reported that the required end of month reports were being submitted to DPI.

It was agreed that that Richard O'Leary, CFNSW, would be asked if he could facilitate a response from the RDA.

2.2 National Peak Body

The letters to and from Mr. Greg Wall were noted.

It was noted that there was no news about the proposed peak body document that Mr. Greg Wall had said would be available and circulated in March 2013.

It was noted that the Chairman was meeting with Richard O'Leary, CFNSW, on the morning of 7 March 2013 to discuss a proposed new national peak body for co-operatives. It was noted that the Secretary and possibly David Dinning would attend the meeting.

ACTION: Chairman

It was noted that the challenge for 2013 was the establishment of a new national peak body for co-operatives.

It was noted that Co-operatives Victoria could financially contribute between \$5,000 – 10,000 towards the development of a new national peak body for co-operatives provided there were complementary contributions and this would have to be strategically targeted for measures to achieved specific outcomes.

ACTION: Chairman, Treasurer and Secretary

The document prepared by the Secretary was noted – A Co-operative Decade in Australia.

3. Co-operative Education

The report from the Secretary was noted and it was agreed to defer for consideration at a future meeting.
